## From the Pen of Ken

For over 44 years, Missionary Radio has shared the life-changing Gospel of our Lord and Savior Jesus Christ across our community. As your 100% listener-funded Christian Community Station, we depend on faithful partners like you to provide programming, music, and to keep our missionaries on the air ministering daily.

This year’s “What an Awesome God” Care-a-thon is coming October 7–9. We are asking you to renew your faith pledge—and raise it if you can. Your partnership is more important than

ever. During the summer months, we fell short of our budget by 50–75%. That's why your response now is so vital. Our balance at this time is dangerously low.

Here's how you can stand with us:

- Mail your pledge: Fill out the enclosed faith pledge card and return it in the self-addressed envelope.
- Give online: Visit [www.missionary.radio](http://www.missionary.radio) — click Donate, fill out the pledge card, and set up your giving securely through Cornerstone Payment System.
- Call during the Care-a-thon: Our team will be ready to hear from you at 877-885-9655.

Your faith pledge ensures that Missionary Radio stays vibrant in our listening area, continuing to be a beacon of hope and truth for countless lives. Together, let's celebrate our awesome God and move forward with strength.

Share your encouraging words for the "What an Awesome God" Care-a-thon by recording your comments at 270-962-4055. Thank you for supporting 100% listener-funded Missionary Radio, your Christian Community Station.

Thank you for your prayers, your support, and your faithful partnership in the Gospel.  
Because of Him,

Ken Cummins
